

2021 Commitment

PRAY | COMMIT | GIVE

Because of the generosity of the members and friends of Trinity Church, children and adults are touched with grace and compassion. Your financial gifts and your spiritual gifts make a difference in people's lives

Pray: Ask God how you can use the financial and spiritual gifts you've been given.

Commit: After discerning God's will for your life, commit to making regular financial contributions and to using your time and talents for Trinity's ministry and mission.

Give: Give of your self generously as God has led you.
