

**Learning ~ Living ~ Loving**  
**Commitment Card 2021**

Because of the generosity of the members and friends of Trinity Church, people are touched with grace and compassion. Your financial gifts and your spiritual gifts make a difference in people's lives.

Ask God how you can use the financial and spiritual gifts you've been given. After discerning God's will for your life, commit to making regular financial contributions and to using your time and talents for Trinity's ministry and mission. Give of your self generously as God has led you.
